1. 2. At closure of the Bidding Period the Allocation Platform shall check again whether the maximum payment obligations connected with registered Bids calculated according to paragraph 5 of this Article exceed the Credit Limit. If the maximum payment obligations connected with these Bids exceed the Credit Limit, these Bids, starting with the Bid with the lowest Bid Value, shall be one (1) by one (1) excluded, until the maximum payment obligations are less than or equal to the Credit Limit. In case of Bids connected with various and overlapping Auctions the Allocation Platform shall consider all calculated maximum payment obligations as outstanding payment obligations according to Article 23.

5. For the calculation of the maximum payment obligations related to one direction the Allocation Platform shall sort the registered Bids of a Registered Participant by Bid Price in descending order (merit-order). Bid 1 shall be the Bid with the highest Bid Price and Bid n shall be the Bid with the lowest Bid Price. The Allocation Platform shall calculate the maximum payment obligations according to the following equation:

$$MPO = \sum_{hours} \text{Max} [\underset{n-1}{\text{Bid Price (1)}} * \text{Bid Quantity (1)}; \underset{i=1}{\text{Bid Price (2)}} * \sum_{i=1}^2 \text{Bid Quantity (i)} ; \dots]$$

$$\dots ; Bid Price (n - 1) * \sum_{i=1} Bid Quantity (i) ; Bid Price (n) * \sum_{i=1} Bid Quantity (i)]$$

- (a) increase of the maximum payment obligations with applicable taxes and levies in force subject to Article 50

The Allocation Platform shall publish additional explanatory information on the optimization function of the algorithm on its website.

4. The Allocation Platform shall determine the Marginal Price at each border and direction based on the following criteria:

- (a) if the total quantity of Cross Zonal Capacity for which valid Bids have been submitted is lower than or equal to the relevant Offered Capacity for the relevant Auction, then the Marginal Price shall be zero;
- (b) if the total quantity of Cross Zonal Capacity for which valid Bids have been submitted exceeds the relevant Offered Capacity for the relevant Auction, the Marginal Price shall be set at the lowest Bid(s) Price(s) allocated in full or in part using the respective Offered Capacities.

5. If two (2) or more Registered Participants have submitted for one border and direction valid Bids with the same Bid Price, that cannot be accepted in full for the total requested quantity of

Transmission Rights, the Allocation Platform shall determine the winning Bids and the quantity of the allocated Transmission Rights per Registered Participant as follows:

- (a) the Cross Zonal Capacity available for the Bids which set the Marginal Price shall be divided equally between the number of the Registered Participants which submitted these Bids;
- (b) in case the quantity of Transmission Rights requested by a Registered Participant at Marginal Price is lower than or equal to the share calculated according to item (a) above, the request of this Registered Participant shall be fully satisfied;
- (c) in case the requested quantity of Transmission Rights by a Registered Participant at Marginal Price exceeds the share calculated according to item (a) above, the request of this Registered Participant shall be satisfied up to the amount of the share as calculated according to item (a) above;

6. Whenever the calculation set forth in paragraphs 3 of this Article does not result in a whole MW amount in accordance with Article 21 the Transmission Rights shall be rounded down to the nearest full MW. The case when Transmission Rights allocated to individual Registered Participants are equal to zero after rounding shall not impact the Marginal Price determination.

Article 33

1. Each Registered Participant must make all payments to be made by it under the Day Ahead Allocation Rules without any tax deduction, unless a tax deduction is required by law.
2. If a tax deduction is required by law to be made by a Registered Participant, the amount of the payment due from the Registered Participant to the Allocation Platform will be increased to an amount which (after making the tax deduction) leaves an amount equal to the payment which would have been due if no tax deduction had been required.
3. Paragraph 2 of this Article does not apply with respect to any tax assessed on the Allocation Platform on any payment received in connection with the Day Ahead Allocation Rules under the national laws of the jurisdiction in which the Allocation Platform is incorporated or, if different, the jurisdiction (or jurisdictions) in which the Allocation Platform is treated as resident for tax purposes or has or is deemed for tax purposes to have a permanent establishment or a fixed place of business to which any payment under the Day Ahead Allocation Rules is attributable. Paragraph 2 of this Article does not apply to value added tax as provided for under Applicable Law and/or any other applicable national legislation as amended from time to time and any other tax of a similar nature.

Article 51

2. The Allocation Platform shall issue invoices for payments for all Transmission Rights on a monthly basis and no later than the tenth (10th) Working Day of each month.

3. The invoices shall be issued for the amount due set forth in Article 48.
4. The Allocation Platform shall send the invoice via electronic means as specified by the Allocation Platform on its website to the Registered Participant at the e-mail address of the financial contact person submitted in accordance with Article 8(h) or it should make it available to the Registered Participant via the Auction Tool. The date of issuance of the invoice shall be the date on which the invoice is sent by electronic means as specified by the Allocation Platform on its website or the date when the invoice is made available via the Auction Tool if this is done during Working Hours or the next Working Day if sent after Working Hours.
5. In the cases of curtailment of Transmission Rights, the invoices shall take into account any payments to be credited to the Registered Participant. The payments to be credited to the Registered Participants shall:
 - (a) be settled through self-billing mechanism which shall allow the Allocation Platform to issue invoices in the name and on behalf of the Registered Participant; and
 - (b) be notified through the same invoice as the one used for the payments of the Registered Participant as set forth in paragraph 4 of this Article.
6. The payments due shall be netted by the Allocation Platform taking into account the amount as set forth in paragraph 2 and 5 of this Article.
7. If the balance of the payments as set forth in paragraph 3 and 5 of this Article results in a net payment from the Registered Participant to the Allocation Platform, the Registered Participant shall settle this balance within five (5) Working Days after the date of issuance of the invoice.
8. Payments by the Registered Participant as set forth in paragraph 7 of this Article shall be collected as follows:
 - (a) based on the standard procedure, the Allocation Platform shall collect the payment automatically from the dedicated Business Account of the Registered Participant on the respective due date of the invoice; or
 - (b) alternatively, the Registered Participant shall ensure payment through a non-automated transaction to the account of the Allocation Platform specified on the invoice by indicating the invoice reference.
9. The alternative procedure may be used upon request of the Registered Participant and with the consent of the Allocation Platform. The Registered Participant shall notify the Allocation Platform by electronic means as specified by the Allocation Platform on its website the request to use the alternative procedure at least two (2) Working Days before the date of issuing of the next invoice as set forth in paragraph 2 of this Article. Once the alternative procedure is agreed, it shall be deemed to be valid until otherwise agreed between the Registered Participant and the Allocation Platform.
10. If the balance of the payments as set forth in paragraph 2 and 5. of this Article results in a net payment from the Allocation Platform to the Registered Participant, the Allocation Platform shall pay this balance

within seven (7) Working Days after the date of issuance of the invoice to the bank account as announced during the accession process in accordance with Article 8 paragraph 1(g) by the Registered Participant who is entitled to the payments at the due date.

11. In case of an erroneous invoice resulting in an additional payment of the Allocation Platform or the Registered Participant the Allocation Platform shall correct the invoice and any due amount shall be settled as soon as they have been notified to Registered Participant.

12. Bank fees of the payer's bank shall be covered by the payer. Bank fees of the receiving bank shall be covered by the beneficiary. Bank fees of any intermediary bank shall be covered by the Registered Participant.

13. The Registered Participant shall not be entitled to offset any amount, or withhold any debts arising in connection with obligations resulting from a Day Ahead Auction, against any claims towards the Allocation Platform, whether or not arising out of a Day Ahead Auction. Nevertheless, the right to offset and the right to withhold are not excluded in case the Registered Participant's claim against Allocation Platform is established by a legally binding judgement or is uncontested.

Article 52

Payment disputes

1. A Registered Participant may dispute the amount of an invoice including any amounts to be credited to the Registered Participant. In this case, the Registered Participant shall notify the nature of the dispute and the amount in dispute to the Allocation Platform as soon as practicable and in any event within fifteen (15) Working Days after the date of issuance of the invoice or credit note by registered mail and electronic means as specified by the Allocation Platform on its website. Beyond this period, the invoice shall be deemed to have been accepted by the Registered Participant.

2. If the Registered Participant and the Allocation Platform are unable to resolve the difference within ten (10) Working days after the notification, the procedure for the dispute resolution in accordance with Article 56 shall apply.

3. A dispute shall in no way relieve the Party from the obligation to pay the amounts due as set forth in Article 51.

4. If it is agreed or determined based upon the dispute resolution procedure as set forth in Article 56 that an amount paid or received by the Registered Participant was not properly payable, the following process shall apply:

(a) the Allocation Platform shall refund any amount including interest to be calculated according to Article 49 the Registered Participant in case that the amount paid by the Registered Participant as set forth in Article 51 was higher or the amount paid by the Allocation Platform was lower than the due amount. The Allocation Platform shall make the payment to the bank account indicated by the Registered Participant for this reimbursement in accordance with Article 8.

(b) the Registered Participant shall pay any amount including interest to be calculated according to Article 49 to the Allocation Platform in case that the amount paid by the Registered Party as set forth in Article 51 was lower than the due amount. The Registered Participant shall make the payment in accordance with the procedure set forth in Article 51.

5. The interest paid in case of a payment in accordance with paragraph 4 of this Article shall be applied from the first (1st) day following the date on which the payment was due up to the date on which the disputed amount was refunded and it shall apply also to all taxes and levies required by law.

Article 53

Late payment and payment incident

1. In case the Registered Participant has not fully paid an invoice by the due date specified on the invoice, the Allocation Platform shall notify the Registered Participant that a payment incident will be registered if the amount including applicable interest due is not received within three (3) Working Days upon sending of the notification. In case of no payment within the deadline, the Allocation Platform shall notify the Registered Participant that the payment incident was registered.

2. The Allocation Platform may suspend or terminate the Day Ahead Participation Agreement immediately after registration of the payment incident as referenced above (in accordance with Articles 57 and 58) and/or the Allocation Platform may call on the Registered Participant's collaterals in accordance with Article 24.

3. In case of late payment or refund, the Parties shall pay interest on the amount due from the date of the payment until the date on which the payment is done. The interest shall be equal to the highest amount of:

a. a flat rate of 100 €; or

b. eight (8) percentage points per annum above the reference interest rate as officially published by the national authorities of the country in which the Allocation Platform is located and round up to the nearest half percentage point.

CHAPTER 9

Miscellaneous

Article 54

Duration and amendment of Day Ahead Allocation Rules

1. The Day Ahead Allocation Rules are of indefinite duration and are subject to amendment in accordance with this Article. These Day Ahead Allocation Rules and any amendments thereof shall be consulted upon and enter into force in accordance with the National Regulatory Authorities. The Allocation

Platform shall publish the amended Day Ahead Allocation Rules and send an amendment notice to Registered Participants.

2. Subject to Article 4 (3), an amendment shall enter into force at the date and time specified in the amendment notice but no less than twenty eight (28) calendar days after the amendment notice is sent to Registered Participants by the Allocation Platform.
3. Each amendment shall apply to all aspects of these Day Ahead Allocation Rules, including but not limited to all Day Ahead Auctions conducted after the date on which the amendment takes effect.
4. Any amendment of these Day Ahead Allocation Rules shall apply automatically to the Day Ahead Participation Agreement in force between the Allocation Platform and the Registered Participant, without the need for the Registered Participant to sign a new Day Ahead Participation Agreement but without prejudice to the Registered Participant's right to request the termination of its Day Ahead Participation Agreement in accordance with Article 58. By participating in the Day Ahead Auction after the Registered Participant was informed about the changes and/or adaptations of the Day Ahead Allocation Rules and after these changes and/or adaptations of the Day Ahead Allocation Rules entered into force, it is deemed that the Registered Participant has accepted the changes, i.e. the valid and effective version of the Day Ahead Allocation Rules.
5. The Day Ahead Allocation Rules shall be periodically reviewed by the Allocation Platform at least every two years involving the Registered Participants. This biennial review is without prejudice of the competence of National Regulatory Authorities to request at any time amendments of the Day Ahead Allocation Rules and the annexes included thereto in accordance with the existing legislation.
6. These Allocation Rules are subject to the legislation prevailing at the time at which they take effect. In the event that there is a change in legislation or any action by competent authorities at national level which have an effect on these Allocation Rules then, notwithstanding any other provision of these Allocation Rules, the Allocation Rules shall be amended accordingly and pursuant to this Article.
7. Registered Participants may request in writing amendments to these Access Rules and the Allocation Platform shall consider such requested amendments as appropriate. In this event the Allocation Platform shall, within 5 Business Days, confirm receipt of the proposed amendment and provide timescales for consideration of the proposal.

Article 55

Liability

1. The Allocation Platform and the Registered Participants are solely responsible for the fulfilment of any obligation they undertake or are subject to and which arises from or is in connection with the Day Ahead Allocation Rules and the Day Ahead Participation Agreement.
2. Subject to any other provisions of these Day Ahead Allocation Rules the Allocation Platform shall only be liable for damages caused by:
 - (a) fraud, gross negligence or wilful misconduct.

(b) death or personal injury arising from its negligence or that of its employees, agents or subcontractors.

3. A Registered Participant shall indemnify and keep indemnified the Allocation Platform and its officers, employees and agents from and against any and all loss or liability (including legal costs) related to a damage that it has caused, which any of them may suffer or incur by reason of any claim by any third party on account of any and all loss (whether direct or indirect) suffered by the claimant or any of the claimant's officers, agents, subcontractors or employees in connection with these Day Ahead Allocation Rules.

4. The Allocation Platform and each Registered Participant acknowledges and agrees that it holds the benefit of paragraph 3 of this Article for itself and as trustee and agent for its officers, employees and agents.

5. The Registered Participant shall be solely responsible for its participation in Day Ahead Auctions including but not limited to the following cases:

(a) the timely arrival of Bids by the Registered Participant;

(b) technical failure of the information system on the side of the Registered Participant preventing the communication via the channels foreseen in accordance with these Day Ahead Allocation Rules.

6. The Registered Participant shall be liable with respect to any sanctions, penalties, or charges that may be imposed by financial authorities on the Allocation Platform for incorrect tax treatment due to wrong or incomplete information provided by the Registered Participant.

7. This Article survives the termination of the Registered Participant's Day Ahead Participation Agreement.

Article 56

Dispute resolution

1. Without prejudice to paragraphs 6 and 8 of this Article, where there is a dispute the Allocation Platform and the Registered Participant shall first seek amicable settlement through mutual consultation pursuant to paragraph 2. For this purpose, the Party raising the dispute shall send a notification to the other party indicating:

(a) the existence of a Day Ahead Participation Agreement between the Parties;

(b) the reason for the dispute; and

(c) a proposal for a future meeting, physical or not, with a view to settle the dispute amicably.

2. The Parties shall meet within twenty (20) Working Days after the matter has been referred to them and seek to resolve the dispute. If no agreement is reached or no response received within a period of

thirty (30) Working Days from the date of the aforementioned notification, either Party may refer the matter to the senior management of the Parties to resolve the dispute pursuant to paragraph 3.

3. The senior representative of each of the Allocation Platform and the Registered Participant with authority to resolve the dispute shall meet within twenty (20) Working Days of a request to meet and seek to resolve the dispute. If the representatives are unable to resolve the dispute within twenty (20) Working Days of the meeting or such longer time as may be agreed, then the dispute shall be determined by arbitration in accordance with paragraph 4.

4. Where a dispute is to be referred to arbitration under paragraph 3, either the Allocation Platform or the Registered Participant may give notice to the other stating the nature of the dispute and referring the dispute to arbitration. Arbitration shall be conducted in accordance with the Rules of Arbitration of the Chamber of Commerce (ICC). The arbitration shall be conducted before one (1) arbitrator to be nominated upon agreement of the Parties unless a Party requests the appointment of three (3) arbitrators. In case of one (1) arbitrator, the Parties shall agree on the nomination of the arbitrator within two (2) months after the notice was given by the Party referring the dispute to arbitration. If no agreement can be found, the arbitrator shall be appointed by the ICC Court. In case of three (3) arbitrators, the claimant shall nominate one (1) arbitrator and the respondent shall nominate one (1) arbitrator. The arbitrators nominated by each Party shall then nominate the chairman of the arbitral tribunal within three (3) Working Days from the confirmation of the appointment of the second arbitrator by the respondent. If the arbitrators nominated by each party cannot agree on the appointment of the chairman, the chairman shall be appointed by the ICC Court. The arbitration shall take place in the location of the Allocation Platform unless otherwise defined in the Day Ahead Participation Agreement and in accordance with the governing law of these Day Ahead Allocation Rules while the language of the arbitration proceedings shall be English. The emergency arbitrator provisions according to the Rules of Arbitration of the Chamber of Commerce shall not apply but the interim or injunctive relief measures under the governing law shall apply.

5. Arbitration awards shall be final and binding on the Allocation Platform and the relevant Registered Participant as from the date that they are made. The Allocation Platform and the Registered Participant shall carry out any award of an arbitrator relating to any dispute without delay and each waive their right to any form of appeal or recourse to a court of law or other judicial authority, in so far as such waiver may validly be made.

6. Notwithstanding paragraphs 3 and 4 of this Article, the Parties may jointly agree to apply court proceedings instead of arbitration to settle a dispute arisen in connection with these Day Ahead Allocation Rules.

7. In cases of late payment and notwithstanding Article 53 and paragraphs 1 to 4 of this Article, a Party may bring court proceedings against the other Party for any amount due under or in connection with these Day Ahead Allocation Rules and unpaid for more than twenty (20) Working Days after the date the amounts were due.

8. The Parties agree that proceedings referred to in paragraph 6 or paragraph 7 may be brought in any competent court to hear such claim. The Registered Participant irrevocably waives any objection which it may have now or hereafter regarding the venue of such proceedings in any competent court

and any claim that any such proceedings have been brought in an inconvenient forum.

9. Notwithstanding any reference to amicable settlement, expert resolution or arbitration under this Article, the Allocation Platform and the Registered Participant shall continue to perform their respective obligations under these Day Ahead Allocation Rules and the Registered Participant's Day Ahead Participation Agreement.

10. This Article survives the termination of the Registered Participant's Day Ahead Participation Agreement.

Article 57

Suspension of the Day Ahead Participation Agreement

1. The Allocation Platform may by notice to the Registered Participant suspend the Registered Participant's rights in connection with these Day Ahead Allocation Rules with immediate effect if the Registered Participant commits a major breach of an obligation in connection with these Allocation Rules which may have a significant impact to the Allocation Platform as follows:

(a) if a Registered Participant fails to pay any amount properly due and owing to the Allocation Platform pursuant to Article 53;

(b) any breach which may have a significant financial impact to the Allocation Platform and if a Registered Participant fails to provide and maintain collaterals in accordance with Article 23;

(c) the Allocation Platform has reasonable grounds that the Registered Participant no longer satisfies one or more of any other conditions to participate in Day Ahead Auctions according to these Day Ahead Allocation Rules unless termination applies according to Article 58; and

(d) If the Registered Participant is under economic and/or trade sanctions.

2. In any case of a minor breach in relation to these Day Ahead Allocation Rules such as but not limited to the failure of the Registered Participant to notify a change in the submitted information in accordance with Article 8, the Allocation Platform may by notice to the Registered Participant inform the Registered Participant's that its rights in connection with these Day Ahead Allocation Rules may be suspended unless the Registered Participant remedies the suspension event in the time period specified in the notice. The suspension shall take effect when the period specified for remedy has elapsed without that such remedy has taken place. After the suspension takes effect in accordance with paragraphs 1 and 2 of this Article, the suspended Registered Participant may no longer participate in Day Ahead Auction and, unless the payment of the Transmission Right is fully settled or fully secured by collaterals by the suspended Registered Participant, the suspended Registered Participant shall not be entitled to use Transmission Rights according to CHAPTER 4.

3. The Allocation Platform may withdraw a notice under paragraphs 1 or 2 of this Article at any time. Having given a notice under paragraphs 1 or 2 of this Article, the Allocation Platform may give a further or other notice at any time in respect of the same or a different suspension event.

4. Once the Registered Participant has fulfilled or remedied the suspension event as notified to it in the notice sent by the Allocation Platform, or if sanctions against the Registered Participant have

beenlifted , the Allocation Platform shall reinstate as soon as reasonably practicable the Registered Participant's rights in relation to use of its allocated Transmission Rights and its ability to participate in Day Ahead Auctions by written notice to the Registered Participant. As from the date of effect of the reinstatement, the Transmission Rights allocated prior to the suspension and which remain unused may be nominated and the Registered Participant may participate in Day Ahead Auctions.

5. If the Allocation Platform gives a notice to a Registered Participant under paragraph 1 or 2 of this Article, such notice of suspension does not relieve the Registered Participant from its payment obligations under CHAPTER 7, including its payment obligations in relation to the Transmission Rights for which the Registered Participant loses the right of use pursuant to paragraph 2.

Article 58

Termination of the Day Ahead Participation Agreement

1. A Registered Participant may at any time request the Allocation Platform to terminate the Day Ahead Participation Agreement to which the Registered Participant is a Party. The termination shall take effect after thirty (30) Working Days upon receipt of the termination request by the Allocation Platform and all outstanding payment obligations are settled.

2. A Registered Participant may terminate the Day Ahead Participation Agreement to which the Registered Participant is a Party for good cause when the Allocation Platform has committed a major breach of an obligation connected with these Day Ahead Allocation Rules or the Day Ahead Participation Agreement in the following cases:

(a) where the Allocation Platform repeatedly fails to pay any amount properly due and owing to the Registered Participant with a significant financial impact;

(b) where there is a significant breach of the confidentiality obligations in accordance with Article 9

The Registered Participant shall send a notice to the Allocation Platform stating the reason for termination and giving the Allocation Platform twenty (20) Working Days to remedy the breach. Unless the Allocation Platform remedies the breach within the abovementioned deadline, the termination shall take effect immediately upon expiration of such deadline. A holder of Transmission Rights whose Day Ahead Participation Agreement is terminated under this paragraph is under no obligation to pay remaining instalments for the Transmission Rights' and is entitled to a refund to the extent that any instalment includes an amount in respect of use after the date of termination, to be calculated pro-rata from the date termination takes effect.

3. If any of the termination events in paragraph 4 occurs in relation to a Registered Participant, the Allocation Platform may by notice to the Registered Participant terminate the Day Ahead Participation Agreement, including the Registered Participant's rights connected with these Day Ahead Allocation Rules. A termination under this paragraph takes effect from the time of the notice or any later time specified in it. The Registered Participant may not at a later stage enter into the Day Ahead Participation Agreement with the Allocation Platform until the circumstances of termination continue to exist or it is not sufficiently guaranteed that the breach may not occur again.

4. The termination events referred to in paragraph 3 shall be the following:
 - (a) if the rights of the Registered Participant are suspended for longer than thirty (30) Working Days;
 - (b) if a Registered Participant does not qualify for the participation in the Day Ahead Auction as set forth in Article 13;
 - (c) if a Registered Participant repeatedly breaches these Day Ahead Allocation Rules or a Day Ahead Participation Agreement, whether or not the breach is capable of remedy;
 - (d) if a competent authority (i) determines that the Registered Participant has committed a misuse or fraudulent act and (ii) requests the Allocation Platform to terminate the Day Ahead Participation Agreement to which such Registered Participant is a Party or (iii) agrees that the Allocation Platform has reasonable grounds to believe that the Registered Participant has committed a misuse or fraudulent act in participating in Day Ahead Auctions; or
 - (e) if the Registered Participant has taken any action which may lead to the damaging or reduction in effectiveness of the Auction Tool (it being understood that such an action is deemed to happen in case of any behaviour that can be assimilated to an attack on the information system such as, but not limited to, deny of service, spam, virus, brute forcing, Trojan horse attack).
5. After the termination takes effect in accordance with paragraphs 1 to 3 of this Article and from that time, the Registered Participant may no longer participate in a Day Ahead Auction. CHAPTER 4 shall not apply to such acquired Transmission Rights. For the avoidance of doubt, the Transmission Rights, which the Registered Participant is prohibited from using as a result of termination, may be offered by the Allocation Platform in subsequent Auctions.
6. Termination of a Day Ahead Participation Agreement does not affect any rights and obligations under or in connection with the Day Ahead Participation Agreement and these Day Ahead Allocation Rules which arose prior to that termination unless otherwise specified in this Article. Accordingly, any Registered Participant whose Day Ahead Participation Agreement is terminated will remain liable, subject to and in accordance with the Day Ahead Allocation Rules, in respect of all such rights and liabilities. This paragraph shall apply without prejudice to other remedies available to the Allocation Platform under these Day Ahead Allocation Rules.

Article 59

Force Majeure

1. The Allocation Platform or a Registered Participant, which invokes Force Majeure, shall promptly send to the other Party a notification describing the nature of Force Majeure and its probable duration and shall continue to furnish reports with respect thereto with reasonable frequency during the period of Force Majeure. The Party invoking the Force Majeure shall make every possible effort to limit the consequences of the Force Majeure.
2. The affected obligations, duties and rights of a Party subject to Force Majeure shall be suspended from the beginning of Force Majeure, with the exception of the confidentiality provisions in accordance with Article 61.

3. Suspension under paragraph 2 is subject to the following:
 - (a) suspension will be of no greater scope and of no longer duration than is required by the Force Majeure;
 - (b) the suspension applies only for so long as the Party invoking to Force Majeure is using reasonable efforts to remedy their inability to perform.
4. The consequences of a Force Majeure event, which is not subject to any discussion or litigation between the Allocation Platform and the Registered Participant, are:
 - (a) the Party invoking Force Majeure cannot be held responsible to pay compensation for any damage suffered, due to the non-performance or partial performance of all or any of its obligations during the Force Majeure and when such non-performance or partial performance is due directly to Force Majeure;
 - (b) the acquired Transmission Rights which have been entirely paid and become subject to Force Majeure are reimbursed for the duration of the Force Majeure in accordance with any applicable legislation and these Day Ahead Allocation Rules; and
 - (c) where the Transmission Rights' holder is the party claiming the Force Majeure event, the Allocation Platform may, for its own benefit, reallocate the holder's Transmission Rights to the subsequent Auctions and for the duration of the Force Majeure event.
5. If the Force Majeure continues for a period longer than six (6) months, the Allocation Platform or each Registered Participant may, by notice to the other given at any time while the Force Majeure continues beyond that period, unilaterally terminate the Day Ahead Participation Agreement. The termination shall take effect ten (10) Working Days after the notice is given or any later date specified in the notice. A holder of Transmission Rights whose Day Ahead Participation Agreement is terminated under this paragraph is under no obligation to pay the due amount for the Transmission Rights' and is entitled to a refund to the extent that any payment includes an amount in respect of use after the date of termination, to be calculated pro-rata from the date termination takes effect.

Article 70
Remedies exclusive

The rights and remedies provided by these Day Ahead Allocation Rules and the Day Ahead Participation Agreement to the Allocation Platform and each Registered Participant are exclusive and not cumulative and, to the extent permissible by law, shall exclude and be in place of all substantive (but not procedural) rights or remedies expressed or implied and provided by law or statute in respect of the subject matter of these Allocation Rules and the Day Ahead Participation Agreement. Accordingly, the Allocation Platform and each Registered Participant hereby waives to the fullest extent possible all such rights and remedies provided by law or statute, and releases each other of them if it is liable to any other of them, its officers, employees and agents to the same extent from all duties, liabilities, responsibilities or obligations provided by law or statute in respect

of the matters dealt with in these Day Ahead Allocation Rules and the Day Ahead Participation Agreement and undertakes not to enforce any of the same except as expressly provided herein.

Article 71
Severability

If any provision of these Day Ahead Allocation Rules or a Day Ahead Participation Agreement is declared invalid, unenforceable or illegal by the courts of any jurisdiction to which it is subject or pursuant to arbitration or by order of any competent authority, such invalidity, unenforceability or illegality shall not prejudice or affect the remaining provisions of these Day Ahead Allocation Rules and the Day Ahead Participation Agreement which shall continue in full force and effect notwithstanding such invalidity, unenforceability or illegality. Any invalid, illegal, void and/or unenforceable part(s) or provision(s) shall be replaced by valid, legal and/or enforceable part(s) or provision(s) in order to achieve the intended economic and legal effect.
