

Agreement in reliance on any representation, warranty or other undertaking (other than where made fraudulently) not fully reflected in the terms of these Allocation Rules or the Participation Agreement.

Article 70
Remedies exclusive

Except as otherwise expressly provided, the rights and remedies provided by these Allocation Rules and the Participation Agreement to the Allocation Platform and each Registered Participant are exclusive and not cumulative and, to the extent permissible by law, shall exclude and be in place of all substantive (but not procedural) rights or remedies expressed or implied and provided by law or statute in respect of the subject matter of these Allocation Rules and the Participation Agreement. Accordingly, the Allocation Platform and each Registered Participant hereby waives to the fullest extent possible all such rights and remedies provided by law or statute, and releases each other of them if it is liable to any other of them, its officers, employees and agents to the same extent from all duties, liabilities, responsibilities or obligations provided by law or statute in respect of the matters dealt with in these Allocation Rules and the Participation Agreement and undertakes not to enforce any of the same except as expressly provided herein.

Article 71
Severability

1. If any provision of these Allocation Rules or a Participation Agreement is declared invalid, unenforceable or illegal by the courts of any jurisdiction to which it is subject or pursuant to arbitration or by order of any competent authority, such invalidity, unenforceability or illegality shall not prejudice or affect either the remaining provisions of these Allocation Rules or the Participation Agreement which shall continue in full force and effect notwithstanding such invalidity, unenforceability or illegality, or the validity, enforceability or legality of such provision under the laws of any other jurisdiction. Any invalid, illegal, void and/or unenforceable part(s) or provision(s) shall be replaced by valid, legal and/or enforceable part(s) or provision(s) in order to achieve the intended economic and legal effect.
2. If any provision would otherwise be invalid, unenforceable or illegal under Article 71 paragraph 1 but would cease to be invalid, unenforceable or illegal if some part of it were deleted, the relevant part shall be deemed to be deleted.

Article 72
Anti-bribery and corruption

Any Registered Participant who offers any inducement, fee or reward to the Allocation Platform or any of its officers, employees or agents or any person acting as an adviser to the Allocation Platform in connection with any Auction which would constitute a breach of the Bribery Act 2010 may be disqualified by the Allocation Platform acting reasonably and that Registered Participant's Participation Agreement may be terminated under Article 58 paragraph 5(d) (in either case without prejudice to any other civil remedies available to the Allocation Platform and without prejudice to any criminal liability which the Registered Participant may attract).
