

Annex 1

Border specific annex for Serbia – Hungary to the Rules for Explicit Daily Capacity Allocation on Bidding Zone Borders serviced by JAO

TITLE 1

General provisions

Article 1

Subject matter and scope

1. In accordance with Article 4 of the Rules for Explicit Daily Capacity Allocation on Bidding Zone borders serviced by JAO (hereinafter Allocation Rules), border specificities may be introduced for individual Bidding Zone border. Allocation Rules and rules described in this border specific Annex apply to the Serbia – Hungary Bidding Zone border.
2. This Annex may be reviewed based on request of the relevant NRAs. In case this Annex needs to be amended based on a decision of the NRAs, Article 55 of the Allocation Rules shall apply.
3. If there is an inconsistency between any of the provisions in the main body of the Allocation Rules, and this Annex the provisions in this Annex shall prevail. The capitalised terms used in this Annex are defined in the Allocation Rules to which this Annex is attached.

TITLE 2

Further bidding zone border specific requirements

Article 2

Auction Specification

1. This article complements Article 28 of the Allocation Rules.

2. The Allocation Platform shall publish the Auction Specifications for the Serbian – Hungarian border no later than 09:00 CET on the day preceding the delivery day.
3. The Bidding Period, in case of regular operational conditions, starts at 09:00 CET in D-1 and ends at 09:30 CET in D-1 for the Serbian – Hungarian border. If publication of Auction Specification is later than 09:00 CET in D-1 than the Bidding Period starts after the publication of the Auction Specification.

Article 3

Fallback procedures for Auction

1. This article complements Article 41 of the Allocation Rules.
2. In case of postponement of the Auction, the Auction results should be published no later than 10:00 CET.

Article 4

Effective date and application

1. This border specific Annex, in line with Article 5 of the Allocation Rules, shall enter into force after approval of National Regulatory Authorities, and shall be applied for the purpose of capacity allocation starting from 1st January 2026 onwards.
