1 Introduction

This document provides an overview of how to access Long-Term Flow-Based Allocation (LTFBA) Simulation Platform web interface which allows users to verify the flow-based capacity parameters and simulate long-term flow-based auctions. Tool is available for all market participants.

Should you require further support, please contact JAO Support:

- Via email: support@jao.eu
- Via JAO Support Hub: <https://support.jao.eu/>

2 Access

Simulation platform can be accessed via the following link: <https://ltfba-sp.jao.eu/login>

Market Participants registered with JAO, can access the Simulation Platform by introducing the username and password (identical to eCAT credentials).

Participants who are not yet registered may request access by contacting JAO Support.

3 Login

By navigating to the LTFBA Simulation Platform web address, user is redirected to login page.
